Dear Sir or Madam,

Greetings in the name of our Lord and Saviour Jesus Christ. It is my pleasure to write this letter for the tapes that you send to me.

While, the message in the tapes is very inspiring. As I listen together with my family, we get encouraged, build up into our faith and extend to others. Most of the friends who have as well listened to these tapes have not been the same. They are quite encouraging as well as inspired. Therefore, they are helpful to our spiritual and day to day life. Keep on sending and producing such inspiring message.

On the other hand, I wish if you had been in position of producing video tapes, Books as you have planned and other materials for the Biblical task of spreading the Gospel.

Finally, wish you all the best as you think of producing more than our expectations according to God's guidance. May God bless as you preach throughout the world.

Yours in Christ,
Sevati Kabaghe. Rev Kabaghe at Tanzeo. Com
